

## SPECIAL BUSINESS SPONSORSHIP

As we build on the history and tradition of San Diego's most iconic event, we will have a truly unique 114th Anniversary Charity Ball.

While the evening will be unforgettable, we cannot lose sight of why we are continuing this tradition, to raise funds for children in need. Your sponsorships will directly benefit the **Chadwick Center for Children & Families** at Rady Children's Hospital and will help children and families to move towards healing.

All businesses/organizations joining as sponsors will have special recognition both at the Ball and in the Community, generating good will as the Charity Ball is the most loved and recognized fundraiser for Rady Children's Hospital.

We are excited to offer this additional sponsorship opportunity and hope that you will consider joining us.
