

RADY CHILDREN'S ESTATES AND TRUSTS COUNCIL

Mission Statement

We are financial professionals dedicated to developing strong relationships on matters related to philanthropic planning in partnership with Rady Children's Hospital Foundation.

The mission of the Council is to Educate, Inspire and Support.

Educate

We seek to educate estate and financial planning professionals and community members about Rady Children's current developments and future goals, as well as the critical role that philanthropy plays in transforming pediatric healthcare.

Inspire

We inspire estate and financial planning professionals and community members to build relationships with Rady Children's through volunteering, committee membership, advocacy and financial support.

Support

We support the mission of the Estates and Trust Council through philanthropic advocacy, inviting other professionals to join the Council and engaging in support of Rady Children's Hospital that is personally meaningful.

I wish to become a Rady Children's Estates and Trusts Council Member.
